

The Saint Mary Catholic Church Future Needs Endowment

We are a growing community! Saint Mary's Parish has established a temporary endowment within the Catholic Foundation of Utah in honor of priests who have ministered at Saint Mary Catholic Church and in hopeful expectation of the generations of St. Mary's parishioners to come. The endowment's purpose is to provide funding for the future needs of the parish. Those needs include facility operations, improvements, maintenance of existing buildings, and construction of New church facilities should the pastor determine it's necessary.

You might consider a gift to our new endowment...

- **In lieu of flowers**
- **In memory of someone you love**
- **In honor of someone who has guided you in faith**
- **In celebration of the birth of a grandchild**

Thank you for your prayerful consideration of a gift to the new endowment. Many hands make Light work, and many small donations ensure the growth of our Church for future generations.

This site is a landing site for all available Catholic Foundation of Utah endowments within our Diocese, So be sure to select Saint Mary Catholic Church Future Needs Endowment from the drop-down menu.
